### **EXPERIENCE**

With 25+ years of experience in corporate and educational experience, Marie Hoffman brings “Warmth With Wisdom” to each and every voiceover project. Her voice has been described as trustworthy, educated, engaging and believable. Whether it’s voicing a commercial, narrating an audiobook, an eLearning module, a telephone voice mail, whiteboard video or a public service announcement, she brings the words to life. She makes difficult scripts easy to understand.
